

ABOUT US

- **GROW WORK** presents, **ONLINE ADVERTISEMENT PORTAL**, an easy way to advertise your **service** or **business**. The portal basically needs user's details to enroll into the portal for which the user has to pay a minimum charge levies according to the class (service or business) he chooses. The platform also works as a Job Person search engine. One can easily search and hire the person one needs for his business.
- An app of **ADVERTISEMENT PLTFORM** will be used to meet the services requirement to the customers. The app actually works as a directory from which the customer can easily get the contact number of the person the user wants the service of and thus the app will help in providing the contact of the **advertiser** to the **customer**. GROW WORK acts like a local Search engine that provides local search related services to users across India.
- GROW WORK aims to grow every individual connected to it as an advertiser, service user or an agent.

WHY GROW WORK

- **Low Cost of Advertising:** Individual can start advertising his work for a least sum.
- **Location Targeting:** Connecting with prospective customers who are in the same city location.
- **Need Targeting:** Connecting with prospective customers who are looking for the specific service.
